*6pm closing

Here’s how the new schedule works:

- Half of the branches will be open from Tuesday through Saturday and half will be open from Monday through Friday. See the attachment for your branch and its pairing.
- LEAP afterschool homework help program for all school children in the afternoons will be available at all libraries, including on Saturdays at those branches that have corresponding service hours.
- 3 Regional Libraries (Blackwell, Coleman, Northeast) will open Tuesday through Saturday.
- Evening service at all branches shifts to Tuesdays and Wednesdays. There is a slight variation on evening service hours per branch (12-8, 11-7, etc.) so ask your librarian.
- Due to lower than average evening usage, this next year, C.B. Moore, McPherson Square, Kensington, and Widener branches will continue to close at 6 pm daily.

Signs will be posted at your library indicating the new service hours.
